

## Author Registration

### Please review program

☐ I hereby have read, understood and fully accepted the international research conference program, in which the papers in each session are drawn from a number of disciplines.

[continue with author registration](#)

### Scholarly Integrity Remarks:

- 1) Authors must be ready in the meeting room at least 10 minutes prior to the start of the session. Presenters must introduce themselves to the session chair(s) and upload their Oral and ePoster presentations to the computer.
- 2) Authors must be able to present on any day of the conference – the program cannot be tailored around specific requests from individual authors to present on particular days.
- 3) The international research conference program is designed for original research contributions and presentations in all research fields. Presentations scheduled in the Oral and ePoster sessions are drawn from a selection of the peer reviewed papers from a wide range of scientific and other disciplines of inquiry.

### FEBRUARY 15-16, 2021: DIGITAL PROGRAM

#### DAY 1: VIRTUAL MEETING

The digital presentation session will start at 12 p.m. (midday) on February 15, 2021 London local time. The link to join the virtual conference will be available for registered delegates 10 minutes before the session at [panel.waset.org/profile/messages](http://panel.waset.org/profile/messages).

#### DAY 2: PERTINENT READING

Digital program consists of an e-book of relevant studies to download for future reading on February 16, 2021.

Digital Program consists of the e-proceedings book which is available online-only and includes the conference communications (proceedings abstracts and papers). Registered participants can access the digitally available conference proceedings (and certificates) by visiting their profile pages.

### MEDICAL AND HEALTH SCIENCES RESEARCH

<a href="#">Effect of Thymoquinone on the Immunological Properties and Phagocytosis of Macrophages</a>	Nuha A. Alkhatabi, Sawsan A. Hussein, Wejdan A. Aldajani, Nesrin E. Tarbiah King Abdulaziz University, Saudi Arabia	e-Poster
<a href="#">Zinc Aspartate Immunotherapy Effects</a>	Adam M. Ibrahim Yanka Kupala University of Grodno, Belarus, Belarus	
<a href="#">Evaluation of the Relationship of Signs and Symptoms during the Period of Eruption of Deciduous Teeth</a>	Rangel Bastos De Holanda Teixeira, Lorena De Alencar Goncalves Ferreira Do Amaral, Dayse Andrade Romao, Mariana Alencar Nemezio University Center Tiradentes (UNIT), Brazil	e-Poster
<a href="#">Generation of Induced Pluripotent Stem Cell-Derived Cellular Model for Assessing Drug Toxicity</a>	Swathy B. Mahendra Rao Institute for Stem Cell Biology and Regenerative Medicine, India	e-Poster
<a href="#">Variation of Free Sugar Intake across Eating Occasions in Secondary School Pupils in the West Midlands, United Kingdom: A Cross Sectional Study</a>	A. Stewart, R. Duff, M. Pallan University of Birmingham, United Kingdom	e-Poster

Yvonne Xinyi Lim, Yoon Pin Lim  
National University of Singapore, Singapore

PROGRAM LAST UPDATED: November, 05 2020 13:48

### PROGRAM GUIDELINES

#### 1. GUIDE FOR ORAL AND e-POSTER PRESENTATIONS

We kindly ask ORAL presenters to prepare electronic presentations of 15 minutes (allowing 5 minutes for discussions) and e-POSTER presenters to prepare short electronic presentations of 5 minutes (allowing 5 minutes for discussions) (NO PRINT OUTS). A Linux-based operating system is used for both Oral and e-Poster presentations. All presenters should make a PDF file version of their presentation and upload it to the system.

#### 2. PRESENTATION SET UP

Laptop Computer, Projector, USB Flash Drive (No CD Drive), MS. PowerPoint/AcrobatReader

#### 3. SYSTEM SECURITY ALERT

As many delegates insert their USB devices into the laptop computer provided for the presentations, we cannot avoid Cyber/Computer viruses. You are kindly advised to bring a USB Flash Drive containing ONLY your .ppt, .ptx or .pdf presentation file or risk other files being corrupted or made permanently inaccessible.

#### 4. ROLE OF THE SESSION CHAIR

The duties of the Session Chair include the following:

1. Arrive at the conference hall at least 10 minutes before the session begins. Identify the paper presenters and discussant(s) in advance, and introduce yourself. Remind each presenter of the time limits that apply, and describe the method you will use to alert them of time limits during the actual presentation.
2. At the start of the session, introduce yourself to the audience, announce the session/title, and offer a brief overview indicating how the papers are related.
3. Prior to each presentation, introduce the speaker, announce the paper's title, the name(s) of the author(s), and provide brief comments regarding the affiliation and/or background of each presenter. Identify the individual who will be speaking if it is someone other than the first author.
4. During the presentations enforce time limits strictly so that no author (or audience member) monopolizes someone else's time. Oral paper presentations each have 20 minutes (15 minutes for full presentation papers, 5 minutes for discussions), and 10 minutes for e-Poster (electronic poster) presentations (5 minutes for poster presentation, 5 minutes for discussions).
5. Once presentations are complete (oral paper presentations and e-Poster presentations), the remaining time can be used for informal discussion between the audience and session participants. It is your job to field questions from the audience.
6. Try to conduct the session as informally as possible (e.g., use first names when addressing participants and members of the audience) to encourage as much audience participation as possible.

#### 5. BEST PAPER AWARDS / BEST PRESENTATION AWARDS

A 'Best Paper Award / Best Presentation Award' will be conferred on the author(s) of an abstract or a full paper presented at the conference. Selection is made based on the best combined marks of the abstract / paper review and presentation quality appraisal conducted by the Session Chair at the conference venue, and assessed by the Program Committee. Award winners will be announced after the conference. The author(s) of a selected paper/presentation will receive a signed and stamped official Best Paper Award / Best Presentation Award e-certificate.
